

2024 PROGRAM

ORNAMENTAL GROWERS

# EARN POINTS ON YOUR ORNAMENTAL PURCHASES WITH AQUATROLS!

Our carefully tested products help to improve plant vigor during production and ensure plant survival in harsh retail conditions. By enhancing the uniform distribution of water, fertilizers, and chemicals, our products help greenhouse growers reduce the need for other expensive inputs. It all leads to better production and a better bottom line.

## SEE QUALIFYING PRODUCTS & POINTS BELOW:
